

WARRANTY IS 1 YEAR PRORATED from date of delivery.

The following are covered under this warranty:

MANUFACTURING DEFECTS

Humphrys products are warrantied completely against manufacturing defects. Such defects include, but are not limited to, uncoated or improperly coated fabric, improper stitching, faulty or improperly placed grommets, defective heat-sealing, or incorrect size.

Manufacturing defects would be apparent before use or shortly after cover is put in use and must be delineated to manufacturer at that time. Digital pictures showing defects are required.

Manufacturing defect claims for products with extended use may be denied. Upon verification of defect, manufacturer will either replace product, repair to customer's satisfaction, or issue full or partial credit.

Manufacturer reserves the right to make the final judgment on the stated options. Warranty applies under conditions of normal use, but does not apply to problems resulting from unreasonable use, mishandling, negligence, improper installation or intentional damage.

ULTRA-VIOLET LIGHT BREAKDOWN

Products are warrantied against fabric breakdown from the ultra-violet (UV) sunlight. UV breakdown is evident through brittleness of fabric, greatly reduced tear strength, and, at times, delamination of coating from base fabric. Upon verification of defect, products will be repaired, replaced or credit issued for prorated value of products. Manufacturer reserves the right to make final judgment on the stated options.

Freight charges for replacement of products are not included under warranty.

Report defects to sales@humphrys.com.
Please include proof of purchase.
